1. Under the Big Ideas section what did Muslim armies introduce to the countries they conquered? How did those cultures affect the Muslim faith?
   ________________________________________________________________________________________________________
   ________________________________________________________________________________________________________

2. When did the greatest expansion of the Muslim Empire take place?
   ________________________________________________________________________________________________________

3. How far did the Muslim influence extend by 1200?
   ________________________________________________________________________________________________________

4. Identify the cities on the map under the control of the Muslims by the year 1200. Why are cities along the coast of Africa included?
   ________________________________________________________________________________________________________
   ________________________________________________________________________________________________________

5. Critical Thinking: What are some reasons why the Muslim Empire stopped expanding?
